

Out of the Box Digital Signage

The powerful but easy to use AGNPRO oneBox combines all the components you need to deliver dynamic real-time multi-zone stunning high resolution visual messaging all from a single plug and play box. No software to install, no central management servers to host, no graphics software to purchase, no teams of consultants to hire. Just plug it in and deploy.

- Stunning high resolution visual messaging to large format displays (1900 X 1280 max resolution)
- Multi-zone layouts with 4:3, 16:9 and portrait display
- Combine text, graphics, movies, animations, RSS feeds and live tv/video
- Powerful built-in browser-based content authoring and management system
- Integrate with back-end systems and render custom HTML scripts to customize your own solutions
